- Periodic Inspections: Every 3 months, with visual reports shared digitally.
- Rent Reminders: Automated system ensures you never miss a month.

Luxury you live in, trust you rely on.

How Our Property Management Works

Step 1 - Onboarding

- We collect your property details and authorization letter.
- Tenancy agreement and KYC documentation verified.

Step 2 - Tenant Management

- Professional photos taken and listing posted.
- Tenant screening, verification, and move-in assistance.

Step 3 - Rent Collection & Reporting

- Rent reminders sent to tenants by 5th of every month.
- Payment updates shared with owners along with receipts.

Step 4 - Maintenance & Inspections

- Issues raised via WhatsApp or call -> acknowledged instantly.
- Vendor assigned, work completed, and proof shared.
- Inspection every 3 months with detailed report.

Step 5 - Ongoing Care

- Deep cleaning between tenants.
- Secure key management.
- After-service follow-ups for peace of mind.

Client Update Example

- Your tenant has renewed the agreement for another year.
- Rent received on time.
- Property inspected on 25th Oct - everything in good condition.

Every owner receives such timely, concise updates - that's our hallmark of trust.
